

At the young age of 7, John responded to an invitation to accept Christ by a visiting Children's Ministry.

At the age of 9, whilst alone in a field he had a vision of seeing himself preaching to thousands, and some twenty five years later he realised that vision whilst doing miracle crusades through Eastern Europe with Dr Steve Ryder, where he saw thousands come to Christ and receive many miracles.

Post revival he has run Youth groups and pastored 3 churches.

John is happily married to Alanna, and has 3 wonderful children. He was leading in sales in the Panorama Group and currently is working in the building industry in Plumbing and Construction Supervision.
