## Up Close and Personal Testimonial Dinner with Daniel Wright

Raised in a Christian family, and attended Christian Outreach College, Daniel did many different jobs with no clear direction. Despite his Christian upbringing, he eventually became entangled in drugs and alcohol abuse.

In 2005 Daniel attended University and on completion has since worked in the automotive industry. Currently is the Financial Controller for Auto Sports Group and oversees the Qld administration staff and dealerships.

Daniel has seen the impact of sin working through the generations of his family and credits his progression in life to his walk with God and prayer life. He is married to Kylie, with 3 adult and 4 school aged children and 2 grandchildren.
