BREAKOUT 2019!

This years' awesome Conference will be all about "Breaking Out!" God is on the move throughout the Earth and as His sons and daughters we all want a piece of the action. So, let's break out the tools for reaping the harvest! Show us our fields, Lord!

DATES: 9th to 11th August 2019

Go Ye Therefore, and Teach All Nations....

Mr Mario Garcia Olvera

It is with great pleasure we are honoured to host the current International President of FGBMFI.

Mr Olvera was elected by a majority vote on February 10, 2018, by the International Directors of FGBMFI. With the help and guidance of the Holy Spirit we are confident that he will be instrumental in the rebuilding and reconstruction of our worldwide organisation. Mario is married with three children and currently resides in Monterrey, Mexico.

He has been an active member of FGBMFI for 24 years and in that time has been a close advisor to Dr. Richard Shakarian, involved in many projects worldwide, visiting different continents to carry forward the vision and purposes of our organisation. Apart from being dedicated to agricultural business, he is also the National President of FGBMFI Mexico. Not only that, but he was named as Regional VP for Latin America with his focus on the unity and growth of South America.

Ardian Kristanto

Mr. Ardian Kristanto is the Chairman of IKA Group, a holding company consisting of several companies working in property, chemicals, construction materials, manufacturing and trading. He loves and serves the Lord passionately, especially in the

IFGF Church.

Len Donaldson

From depression and darkness, Len was gloriously saved and has experienced life's ups and downs, surviving car and airplane crashes; being flush with money one day, broke the next, and learning to walk in the Spirit and not in the flesh. He formerly built high rise buildings and churches all over the SEQ, then served God as a fulltime and part time Pastor. Today, he builds into the lives of the hard, lost men of the construction industry, by speaking on sites and at Union rallies with gatherings of many construction workers and sharing the love of Jesus with those who are where he had been. Len now serves as the Australian National President of FGBMFI rebuilding the fellowship in number and spiritual strength throughout the Nation.

Business Men Fellowship International (FGBMFI). Currently, he is the National President of FGBMFI Indonesia, and he is an International Director for FGBMFI globally. He is married to Pastor Hanna Kristanto, a servant of God, and blessed with 3 children, 2 children-in-law and 2 grandchildren. He is a member of

Graham Eagle

If ever a man was destined to fail, it has to be this man. Father unknown, mother not around, Graham could write a book on rejection and dysfunctional families. Yet against all odds Graham has succeeded in business beyond all reasonable expectation. Awards for business excellence and export achievement have been forthcoming.

For his first thirteen years Graham lived with drunkenness, violence, rejection, without love and without hope. But in response to a door knocking pastor he prayed this simple prayer, "Jesus, here I am. Please take over my life and teach me how to live." Graham and his wife Linda have four adult daughters. They own and operate Printstock Products in Napier, manufacturing packaging products for the New Zealand and export markets.

Launch of Full Gospel Women Int'l

Speaker Sandra Dolan

Sandra has been in full time ministry for the last 27 years. The last 23 as Senior Minister of Powerhouse Ministries Int'l. She has spoken at various churches and conferences both here in Australia and overseas.

Sandra moves powerfully in the preaching of the Word of God, in the prophetic and in other spiritual gifts of God.
